

I How to check?

You may check your credit report in Beijing by 4 ways (Counter-check Service/ Internet-check Service/ Online Banking-check Service/Self-check Service) as follows.

Counter-check Service

The original identification certificate and the copy sheet are needed.

Hint

- Application should be filed personally.
- The original identification certificate normally includes Identity Card (PRC), Soldier Card, Passport, Travel Permit for Residents of HongKong and Macao to Chinese Mainland, Mainland Travel Permit for Taiwan Residents and The Residence Permit for Foreigners.

Internet-check Service

The owner of the Identity Card issued in the cities or

provinces in the pilot scheme list, can enjoy Internet-check service by logging in <https://ipcrs.pbccrc.org.cn>.

Hint

The pilot scheme list can be found at the homepage of Credit Reference Center, the People's Bank of China. (<http://www.pbccrc.org.cn>)

Online Banking-check Service

The owner of the online banking USBkey of China CITI Bank or Bank of Beijing may check individual credit report through the Online Banking-check service.

Self-check Service

Second-generation Identity Card is needed.

Hint

- The Self-check Machine could only be operated personally.
- The Self-check Machine only accepts the Second-generation Identity Card. Customers with other identification certificates please apply for the Counter-check service.
- In order to make a right image of your face, please keep a half step distance with the Self-check Machine and look straight into the camera on it.
- Please remember to make sure the page number of your credit report is right and to take off your Identity Card when you leave.
- Every customer may get your free credit report via Self-check Machine twice annually. Checks in excess of two times will be charged extra fees through the Counter-check service.
