Terms of business

1 Application

- (a) **Scope:** These are the basic Terms on which we provide our Services. Unless agreed otherwise, they will be effective from 22 January 2019 for existing clients and after you receive them for new clients to govern our Services and any Transactions with you.
- (b) **Our website:** We will publish these Terms and information about UBS, our entities, our MiFID order handling & execution policy, our systematic internaliser commercial policy, our complaints procedure, our terms of electronic communication, product information, the risks and conflicts of interest arising in our business and, where appropriate, any other information (**UBS Information**) at www.ubs.com/ibterms.
- (c) **Updates:** We may update these Terms and any such additional information by publishing them at www.ubs.com/ibterms. We will separately notify you in good time of material changes. You accept the latest version when you request or accept any Services.
- (d) **Other agreements:** We may require separate written agreements for certain activities. Where inconsistent, those agreements will prevail for those activities, but otherwise they will be supplemented by these Terms.
- (e) **Definitions:** Definitions used in the Terms are set out in Clause 18.

2 Principles

- (a) **Applicable Rules:** These Terms are always subject to Applicable Rules. We may therefore do whatever we consider necessary to comply with such Applicable Rules. Applicable Rules may include compulsory measures with which you must comply. If you do not comply with such measures we may do so on your behalf, at your risk.
- (b) **Standard of conduct:** Both parties must observe a standard of behaviour reasonably expected of persons in their position and act in good faith and (unless exercising an absolute discretion) in a commercially reasonable manner.
- (c) **What we are not obliged to do:** Under these Terms we are not obliged to accept any order from you or enter into any Transaction with you.
- (d) **What we will not do:** Under these Terms:
 - (i) **No fiduciary duties:** we have no fiduciary or equitable duties nor owe any other similar duties to you;
 - (ii) **No recommendations:** we will not provide personal recommendations or give you any other investment advice. In the course of providing Services we may give you general advice, research, trading ideas and market colour for your information only;
 - (iii) **No investment management:** we will not manage or supervise your investments;
 - (iv) **No client money:** if we hold any money for you under the Terms we will hold it as banker and not under the UK Financial Conduct Authority's client money rules or similar rules in any other jurisdiction. If we fail, the UK Financial Conduct Authority's client money distribution rules will not apply and you will not be entitled to share in any distribution under them. If we agree to hold your money under such rules we will require separate legal documentation;

- (v) **No custody:** we will not provide custody services unless we agree to the contrary. If we agree to hold your assets in custody we will require separate legal documentation;
- (vi) **No reporting:** we will not publish or report information on your behalf under Applicable Rules. If we agree to publish or report information on your behalf we will require separate legal documentation; and
- (vii) **Corporate actions:** we will not exercise voting rights with respect to corporate actions on your behalf.

- (e) **Liability:** We will not be liable for your Losses in connection with these Terms unless they arise from our own negligence, wilful default or fraud.
- (f) **Reimbursement:** You must reimburse us on demand for any Losses we incur in performing any Services (unless they arise from our own negligence, wilful default or fraud). We may deduct any such amounts from any account you maintain with us.
- (g) **Force majeure:** Neither party will be liable for Losses arising from its non-performance due to circumstances beyond its control which it could not reasonably have avoided.

3 Delivery of Services

- (a) **Affiliates:** We may provide Services through, introduce you to and act as agent for, any of our Affiliates. Where you pass orders to us via an Affiliate these Terms will apply to any resulting Transaction between us.
- (b) **Agents:** We may appoint such third party agents on such terms we think fit to help us provide Services to you. We need not disclose any such appointment to you.

4 Dealing and Orders

- (a) **Order execution policy:** Please refer to the information on our order execution policy at www.ubs.com/ibterms.
- (b) **Orders:** You may give orders or instructions orally, in writing or electronically. Once we have received it, an order is irrevocable. You may only cancel or change an order with our express agreement.
- (c) **Reliance:** We may rely on any communication made by you or by a person that we reasonably believe was your agent.
- (d) **Agency orders:** Where you are a regulated agent acting on behalf of a principal:
 - (i) **Identity of client:** we will treat you, and not your principal, as our client for regulatory purposes to the extent permitted by the Applicable Rules.
 - (ii) **Allocation of agency orders:** you must promptly notify us of the principal to whom each Transaction should be allocated. Until you have done so, you must perform your principal's obligations unconditionally. If you have not done so, upon 24 hours' notice we may unwind any such Transaction at your cost.
- (e) **Systematic internalisers:** Unless you tell us to the contrary for any order, we will assume you are not a systematic internaliser in respect of the financial instrument that is the subject of that order.
- (f) **Order cut-off times:** Your orders are subject to our order cut-off times, which may be earlier than those established in the relevant markets.

- (g) **Limits on your orders:** In our absolute discretion we may limit your ability to place orders, including as to:
- (i) **Sizes:** order sizes;

- (i) **Aggregation of orders:** Where we combine your Transactions and orders with our own and those of our other clients, the effect of aggregation may work to your disadvantage in relation to a particular order.
- (j) **Limit orders:** Where we accept a limit order from you for shares admitted to trading on a regulated market or traded on a trading venue (as defined in the Applicable Rules) which is not immediately executed under prevailing market conditions, you expressly instruct us **not** to make that order public immediately unless you issue specific instructions to the contrary or we consider publication would be in your best interests.
- ## 5 Settlement and Payment
- (a) **Your obligations:** So that we can settle any Transaction on your behalf you must promptly make such payments, deliver such assets, and provide such other information to us as we require. Accordingly, you are not required to send written confirmations or allocations that may otherwise be required by settlement regulations.
- (b) **UBS settlement right:** While we are not obliged to settle any Transaction on your behalf if you have not complied with this clause, we may accept delivery of the relevant assets and liquidate them to meet our Costs and Charges, or buy in the necessary assets and use them to satisfy your delivery obligation. In either case we will pay you any resulting excess, and you must reimburse us on demand for any resulting shortfall.
- (c) **Performance by counterparty:** Whether we are acting as principal or your agent, we will only account to you for the proceeds of any Transaction once we have received them ourselves.
- ## 6 Confirmations
- (a) **Confirmations:** We will send confirmations and information regarding your Transactions to you as separately agreed. In the absence of manifest error they will be binding on you unless you object to us in writing within the time specified for objection in the relevant confirmation.
- ## 7 Research charge collection
- (a) **Payment:** Where you wish to attribute a component of our Costs and Charges to pay for research services, we will pay that component on your behalf to such research payment account as you notify us from time to time upon your confirmation of the amount and the account to whom we should pay it.
- (b) **Third party providers:** Where you use a third party to manage your research payments you must ensure it does not use any data it receives about our trading activity for any purpose other than reconciling and making research payments.

- (b) **Third Party Benefits:** When handling your orders and Transactions we may pay or accept fees, commissions and non-monetary benefits to or from third parties (**Third Party Benefits**) as long as they are designed to enhance the quality of our service to you and do not impair our ability to act in your best interests.
- (c) **Information disclosure:** We will disclose our Costs and Charges and any Third Party Benefits as is required by Applicable Rules. You agree to a limited application of the detailed requirements of those such that our disclosure need not include:
- (i) **Third party payments:** details of third party payments;

As long as these services or payments do not operate to your disadvantage or conflict with our obligations to act in your best interests, we will not separately disclose these to you.
- (e) **Tax:** We may estimate and deduct any applicable taxes from payments due to you.
- (f) **Set-off:** Following your non-performance, we may, without notice, set-off any amount you owe us against any amount we owe you irrespective of due date and currency. To do so we may estimate unascertained amounts provided that upon determining actual amounts we will pay you any resulting excess and you must reimburse us for any resulting shortfall. Set-off will not apply across different disclosed principals.

2 Germany

(a) **Statutory Compensation Schemes:** UBS Europe ESE is a member of the *Entschädigungseinrichtung deutscher Banken GmbH* ("EdB"), the German private commercial banks' statutory compensation scheme for depositors and investors. The deposit protection is governed by the Deposit Protection Act (*Einlagensicherungsgesetz* – "EinSiG") and investments are covered by the Investor Compensation Act (*Anlegerentschädigungsgesetz* – "AnlEntG"). In accordance with section 5 (2) EinSiG, the EdB has to pay compensation to eligible clients if UBS Europe SE is unable to meet its financial obligations arising from investment business. In this case, deposits are protected up to 90% of liabilities, limited to the equivalent of € 20,000 (section 4 (1) and (2) AnlEntG). Details of the deposit and investment limits can be found at www.edb-banken.de. The AnlEntG does not cover funds which are denominated in a currency other than that of an EU Member State or Euro (section 4 (1) AnlEntG).

(b) Deposit Protection Fund

- (i) **Scope of protection:** UBS Europe SE is also a member of the deposit protection fund of the *Bundesverband deutscher Banken e.V.* According to its statute – subject to the exceptions stipulated therein - the deposit protection fund protects deposits, i.e. account balances resulting from funds remaining in an account as part of banking transactions, or from intermediate balances,

and which are to be repaid by the bank under currently applicable conditions.

Deposits which are part of UBS Europe SE's equity, liabilities from bearer bonds and negotiable bonds, as well as deposits by credit institutes as defined by Art.4 Section 1 No. 1 of Regulation (EU) No. 575/2013, financial institutes as defined by Art. 4 Section 1 No. 26 of Regulation (EU) No. 575/2013, investment firms as defined by Art. 4 Section 1 No. 1 of Guideline 2004/39/EC, and regional authorities are not protected.

Deposits by creditors other than natural persons and incorporated foundations are protected only if the deposit is not a liability resulting from registered bonds or bonded loans, and the term of the deposit does not exceed 18 months. The term limitation does not apply to deposits which existed before 1 January 2020.

After 31 December 2019, the aforementioned protection is dropped as soon as the deposit comes due, can be cancelled or reclaimed in other ways, or if the deposit is transferred as part of a singular or universal succession.

Bank liabilities which existed before 1 October 2017 are protected according to and under the conditions of the regulations of the statute of the deposit protection fund applicable until 1 October 2017. After 30 September 2017, the aforementioned protection is dropped as soon as the deposit comes due, can be terminated or withdrawn in other ways, or if the deposit is transferred as part of a singular or universal succession.

- (ii) **Protection limits:** The protection limit per creditor is 20% until 31 December 2019, 15% until 31 December 2024, and 8.75% from 1 January 2025 of UBS Europe SE's equity relevant to the deposit protection as defined by Art. 72 of Regulation (EU) No. 575/2013. For deposits made or extended after 31 December 2011, the new protection limits shall apply from the aforementioned dates regardless of when the deposit was established. For deposits established before 31 December 2011, the old protection limits shall apply until the deposit comes due or until the next possible termination date.

UBS Europe SE informs the customer of this protection limit upon request. It can also be viewed on the internet at www.bankenverband.de.

- (iii) **Applicability of the statute of the deposit protection fund:** For further details about the protection, we refer to Section 6 of the statute of the deposit protection fund, which is provided upon request.
- (iv) **Subrogation:** If the deposit protection fund or its authorized representative remits payments to a customer, such claims against UBS Europe SE are subrogated concurrently to the deposit protection fund in the respective amounts with all ancillary rights.
- (v) **Information provision:** UBS Europe SE is authorized to provide the deposit protection fund or its authorized representative with all information and documentation required in this context.
