

Carina GOZALI
Circle One by UBS, Digital Content Specialist
UBS Global Wealth Management

Carina Gozali manages content and engagement for *Circle One by UBS*, a digital platform delivering best-in-class content to UBS wealth management clients. In the next phase, the app will launch *Circles*, exclusive communities for like-minded peers to network and collaborate.

Carina graduated from the University of Sydney and joined UBS in 2020 as part of the Singapore and Malaysia markets. Prior to joining UBS, she worked in Sydney, Shanghai and Jakarta in the finance and tech sectors. During university, she co-founded an online jewelry brand of curated, minimalistic staples for Australian young adults.

At the start of the pandemic, Carina launched a ground up initiative to relieve food insecurity among vulnerable communities in Singapore while simultaneously preserving the local hawker culture.
